In which Lake Improvement District Area do you reside? Area 5

In which Lake Improvement District Area do you wish to apply / be elected? Area 5

List experience or skills you have relating to the election/appointment you are seeking:

I have a Bachelor's of Science in Natural Resources & Environmental Studies with an emphasis on Resource & Environmental Protection, am a former LID staff person with experience in all facets of how the LID functions, am a licensed Realtor with the GREEN Designation, was an MPCA Citizen Stream Monitoring Volunteer for 10 years, am currently employed with Chisago County Environmental Services, and have served as the Area 5 LID Director since 2015.

List special or personal interests relating to the election/appointment you are seeking:

I've been a longtime supporter of the LID's activities within the Chisago Chain of Lakes, and became more engaged as a LID staff person. Since being elected to the LID Board, I have worked to help further the critical work that the LID is doing within our watershed. I am a volunteer and member of the Green Lake Association, and understand the potential for better outcomes and the positive impact of multiple groups working together toward a common goal.

Why do you want this election/appointment?

It's my fundamental belief that we need to be good stewards of all resources entrusted to us. I wish to continue offering my time, energy, and experience to the LID to help make this happen! I also welcome the opportunity to further my own knowledge in the area of freshwater resource conservation and civic engagement.
