## CSAH 10 Reconstruction Project 2024 Project

**What:** Federal funds have been procured to construct the first segment of CSAH 10 from Isanti County to CSAH 8 (Cedarcrest Trail) in 2024. The timing has yet to be determined for the remaining portion of CSAH 10 from CSAH 8 (Cedarcrest Trail) to Interstate 35. This portion may also get broken into multiple sections.

Chisago County Public Works held a public open house on August 24, 2022 to gather input from residents and users of the roadway.

As part of the reconstruction of CSAH 10, improvements to the roadway may include:

- Flattening horizontal and vertical curvature of the roadway.
- Adding paved shoulders.
- Adding turn lanes where appropriate.
- Improving drainage.
- Chisago County Public Works will begin designing the corridor in the winter months of 2022/2023. Another public open house will occur in spring 2023 to share the progress on the design and solicit additional feedback.
