Public Health Services

Chisago County Public Health Division

651-213-5233

Public Health serves all of Chisago County, whether that be through our community health work, or individual clients. There are many programs that Public Health has to offer the community such as, Women, Infants, and Children (WIC), Maternal and Child Health (MCH), Child and Teen Check-up (C& TC), Follow-along, Statewide Health Improvement Partnership (SHIP), Emergency Preparedness, and Immunization Services. The Public Health Division is responsible for protecting the public from health threats, educating about health issues, providing health solutions, and advancing community health. We strive to be a leader in improving the overall health and well-being of our community.

Child and Teen Checkups:

651-213-5235

Regular checkups are important to stay in good health and to identify problems early. Chisago County Child &

Teen Checkups Program staff can help you with finding a medical provider, dental provider, scheduling a medical or dental appointment, transportation to appointments and interpreter services. Child & Teen Checkups exam should occur at 2 months, 4 months, 6 months, 9 months, 12 months, 15 months, 18 months, 24 months, 30 months, 3 years and every year thereafter. If you have questions or need any assistance, please call 651-213-5235 or visit our website [here](#) for additional information.

Baby Café

Baby Café is a breastfeeding gathering for mothers, babies and mothers to be. Join us for mom-to-mom encouragement and meet other breastfeeding moms in your area. A Lactation Consultant is available to help answer questions and do baby weight checks upon request. Baby Café is held on Wednesdays from 10-11:30 am at the North Branch Area Education Center, 38705 Grand Avenue North Branch, MN 55056. Drop in anytime between 10- 11:30 am. No registration is required. If you have any questions call 651-213-5235 or click [here](#) for additional information.

WIC program

WIC is a nutrition program that serves pregnant women, new mothers, babies and young children through age 5. WIC program staff provide nutrition and breastfeeding education as well as referrals to health care and community resources at no cost. WIC provides foods that promote good health which are purchased with the e-WIC debit card. If you have any questions, please call 651-213-5206 or visit our website [here](#) for additional information or to fill out or easy online application.

Maternal Child Health

651-213-5229

FREE & voluntary, family home visiting in the comfort of your own home, or in our office.

- Parenting Education
- Appointment times to fit your schedule
- Breastfeeding education & support
- Developmental & physical assessments
- Immunizations
- Available community resources
- Information regarding feeding & baby cares, growth & development, normal infant behavior, infant safety and much more
- Dental Varnishing, fluoride treatment available to children from first tooth eruption to 18 years of age.

Car Seat Education

- Free child safety seat inspections, by appointment only

Follow Along Program

651-213-5228

A good way to learn about your child's health and development. Babies and young children grow and learn at their own rate. Some children, though, need special help to grow up healthy and learn skills such as sitting,

walking, or talking.
