

SPRING CLEANUP AT PUBLIC WATER ACCESSES

Chisago Lakes Chain of Lakes Watershed

In February of 2016, the Chisago Lakes Lake Improvement District (LID) Board approved funding \$1,000 to place dumpsters at public water accesses within the Chisago Lakes Chain of Lakes Watershed for disposal of unwanted materials during cleanup on the weekend ice houses are required to be removed by the Minnesota Department of Natural Resources.

Partners:

- Chisago Lakes LID
- Area Lake Associations
- Croix Valley Pickup

Spring Cleanup:

- Cleanup of garbage and recycling occurred on area lakes on March 5 and 6, 2016.
- The Chisago Lakes LID Board funded dumpsters to provide disposal of unwanted materials rather than going into area lakes or onto the shoreline.
